Thanks! I think a lot of people are out today, so I'll probably give until 10am Monday for comments. Just FYI since you've already seen it so many times!

Hi all –

Attached is the draft briefing paper for the Dewey Burdock briefing for Deb and Shaun next Tues, Nov 29. Please review and send any comments **by 3pm tomorrow afternoon (Wed 11/23)**. Sorry for the short turn-around time. I'll create a final version to send to Deb by 4 or 5 pm tomorrow. FYI - We are still waiting on language from OW and OAR on Part 192 regulations, but I wanted to get this out to all of you who haven't seen it yet.

As a reminder, we will only be covering the short list of questions the Administrator raised last week, which were:

1. Class I permit issuance
2. Part 192 Regulations
3. NHPA option of designating NRC as the lead
4. Expected stakeholder reactions

I'm still trying to schedule the next briefing for the Administrator. Right now it looks like that might be on Wed, Nov 30. It will mean a quick turnaround to get a paper out after our pre-brief for Deb and Shaun, but it also means we might be able to issue the permits on Dec 5 (or that week).

I'll keep you posted.

Thanks!

Sarah
